Bluebell Walk 2018

Once again Swanley & North Downs Lions are organising their annual charity Bluebell Walk which covers some 6 miles of beautiful countryside in the North Downs. It will take place on Sunday 29th April, and you can register at any time between 10.00 and 11.30 a.m.

The walk starts and ends at Stansted Village Hall, Malthouse Rd, Stansted, Sevenoaks TN15 7PH, and participants are asked to raise sponsorship, or make a personal donation for taking part. A free ploughman's lunch will be provided on your return.

All profit from the event will be donated to the 'ellenor' team that cares for adults and children who have a life limiting or life threatening condition.

By taking part you will not only benefit from the walk itself, but you will have the satisfaction of knowing that you are helping folk in very real need.
